Practise like a pro this winter at Kellys Golf Centre!

As you enthusiastic golfers out there prepare for teeing off in the cold, dark mornings of winter, hunched against the biting wind and wrapped up in more layers than you can move in, surely it sometimes crosses your minds why you do this to yourself. But winter golf doesn't need to be a battle of the elements.

Practise like a pro this winter at Kellys Golf Centre with the Trackman - a radar which tracks the trajectory of your golf ball from launch to landing and is the ultimate in golf swing and ball flight analysis.

With a sheltered 16 bay driving range, short game area and a 9 hole pitch and putt course that remains open throughout the winter, Kellys Golf Centre, The Avenue, Burren, has all the facilities you need to work on areas of your game throughout the off-season.

Winter practice plans are an ever growing demand from club golfers as they focus and refine parts of their game in preparation for next season. At Kellys Golf Centre you can sign up with resident PGA Professional Coach, Dougie Bell's Winter Development Plan, which consists of 6 x 1 hour coaching sessions for the price of £200. With one to one sessions and use of the latest technology, including film and Trackman reports, Dougie can work with you on an in-depth assessment program, goal setting excercises, online support and personally tailored practice plans.

Following the end of this years Summer Camps, Kellys Golf Centre are delighted to see some of their younger members continuing to develop their skills in their weekly Saturday Junior Classes. They remarked that the enthusiasm that they bring to each session is great to see and ensures that even in the depths of winter each class is enjoyable for everyone involved.

To keep up to date with what is goin on at Kellys Golf Centre, you can check them out on Facebook and Twitter, or telephone 028 4177 3247.

Eurosteam celebrates twenty years in business

August 1995 saw the beginning of, what was to become, one of Ireland's most successful business repatriations.

Eurosteam were the first company to avail of the newly formed, "Bring it back home scheme" which provided financial aid to business owners willing to relocate to Ireland. Owners Patrick Lundy and Ann Devlin had started their business in Chicago where they steam cleaned carpets and furniture. Within a year they had built up an extensive clientele portfolio of residential and commercial customers and after meeting the necessary criteria, Patrick and Ann found themselves shipping their equipment home to begin trading as Eurosteam.

Cleaning the Canal Court Hotel carpets and furniture.

Speaking about the transition, Patrick said "We wanted to offer our customers a unique, quality service and because our competition were still using small electrical machines, we knew our motorised van-mounted units, which were found nowhere else in Ireland, cleaned to a much higher standard."

Shortly after arriving home, as part of a promotional drive, Patrick appeared on CNN, BBC and ITV news which gave the newly founded company a major boost. Patrick went on to explain more about his revolutionary machines. 'Van-mounted systems are self-sufficient in that they don't use any electricity or water from customer premises. As the machinery is inside our vans, the on-board fresh water is pressurised, heated to 300 degrees and injected into the furnishings via solution hoses. An industrial vacuum system ensures the deepest cleaning available with incredible results.

Both carpets and furniture can be used in a matter of hours, keeping disruption to a minimum. We also offer a post-cleaning service of Stainshield which protects from future or rapid re-soiling".

The last twenty years has seen Eurosteam clean and maintain everything from houses, hotels, hospitals, schools, trains, boats and even planes at Dublin airport!

In the last number of years Eurosteam have branched out to include wood floor sanding and hard floor cleaning/maintenance.

Patrick and Ann would like to take this opportunity to thank their many hundreds of loyal, repeat customers without whom, none of their success would be possible.

TESTIMONIALS:

My mother who is 80 years old, suffers from terrible arthritis and gout and is very restricted with the medication she can use because of a health problem she had. She started using your Rub last year and she thinks it is absolutely wonderful. Everyone that comes to visit gets to hear about "The Rub" including her doctor and consultants. Thank you so much.

- Anne, Monaghan

I recently suffered acute sciatica, I had been on anti-inflammatory medication with no result. My friend gave me a bottle of "The Rub" and after a few days using it three to four times daily my pain is gone. I also use it for stiff joints and find it fantastic.

- Brid, Ballinasloe

Hi Dorrie, my husband was diagnosed with Rheumatoid Arthritis and had to come off the medication due to a reaction. He has been using "The Rub" and is delighted with the result. His pain has almost completely gone and it is very easy to apply with no side effects. It's a fantastic natural product and he is delighted to have found something that helps his condition.

ESTABLISHED LOCAL COMPANY MOVES TO NEW PURPOSE-BUILT PREMISES

New Era for Derramor Tyres

One of the area's longest established and highly respected tyre dealerships has moved to new premises.

Derramor Tyres has moved to new state of the art facilities at 9 Newry Road, Camlough.

Having served the motorists of South Armagh and South Down for almost 40 years Derramor Tyres is now entering a new chapter with the move to the new premises.

Offering a huge range of tyres, the new premises includes an office block and a new waiting area where customers can enjoy a coffee while their tyres are fitted or their puncture is repaired.

This is Tyre Safety Month and to celebrate the opening of the new Derramor Tyres Depot the team are offering free tyre safety checks while you wait and all customers will be entered into a number of draws between now and Christmas.

Angela McCamley, manager at Derramor Tyres said: "This is an exciting new chapter for Derramor Tyres. We have been based at 133 Camlough Road for many years and we have decided to move to new purpose-built facilities at 9 Newry Road.

"The car breaking side of the business has also moved to a new site at Lime Kiln Road, Bessbrook, so it has been a very busy few months as we make the changes to our business that we believe will give an even better service to our customers.

"Motorists in the area will now get an even better quality service and the same value for money they have always had at Derramor Tyres. We are stockists of all the main quality tyre brands, including Semperit, Bridgestone, Pirelli, Dunlop and Continental and we also stock a comprehensive A Rated Budget Tyre Range which offers motorists tyres from as little as £28 with the peace of mind that our budget range is the best quality and safest in the market."

Angela added: "The new premises offer easier access and the new waiting area means that customers can enjoy a complimentary cup of coffee in comfort while they wait on their tyres being checked and fitted.

"We now offer customers a free tyre safety check and will offer professional advice on the most suitable tyres to meet the vehicle needs and the customer's budget.

"We fix punctures from £5.00 and all our prices include disposal of the worn tyres with no hidden extras."

With winter approaching it's time to take the necessary steps to ensure your vehicle is prepared for the elements over the coming months. Tyres are a critical part of that safety check. So take advantage of the free tyre safety check on offer at Derramor Tyres, 9 Newry Road, Camlough or if you need new tyres give them a call on 028 3083 8553 for a competitive quote.
